Hummer in the Summer! 9 July @ 1800 (6:00 pm for the numerically challenged)

Be sure and come early to get a choice seat to our annual summer gastronomical extravaganza extraordinaire. This year promises to be better than ever. For a paltry \$5/adult and \$2.50/munchkin you and your family and friends will dine on one of the finest covered dish feasts in the South. This year the Squadron will provide Bar-B-Q and beverages. The rest is up to you to bring your favorite dish or dessert to share.

We will again be in shelter #1 at Bur-Mil Park off of hi-way 220 North, just before the lakes. As an additional opportunity to amuse the members, we will offer bean-bag baseball and a repeat of the award winning Conch Blowing and Karaoke performances of our members as presented at last weeks D-27 meeting in New Bern.

Most importantly, there will be the rare privilege of helping the Squadron defray the cost of the upcoming D-27 COW and also take home some truly magnificent silent auction prizes or to attend outings at some of our distinguished members exotic resorts, including a night in beautiful Jonesville, NC at the Davis' estate, Wrightsville Beach at the Gordy's ocean villa or the Hamlin's SML manor. There will also be an opportunity soar with the Eagle's in the Puckett's wonderful corporate airplane. Finally, there will also be the opportunity to sail with the Long's or the Newkirk's onboard their graceful sailing yachts at the coast or to motor around Belews as guests of the Oberholtzers. Such opportunities happen once in a lifetime. Be there or miss out!

Predicted Log

August 25, 2007. Mark your calendars for another great weekend at Predicted Log. Dick and Pat Byrne have invited us to come to their new home on Smith Mountain Lake for this year's contest. A boat is not required to participate in this fun filled event and new members are encouraged to attend. Dick and Pat along with Chris Puckett will be preparing the lunch and dinner meal again this year. The cost is \$18.00 per adult and \$10.00 per child.

This event starts at 0900 on Saturday and will test your piloting skills along with your ability to run a compass course while using a tachometer to maintain speed. The winners will be announced prior to dinner on Saturday evening and trophies will be presented at the September meeting.

There will be a meeting of the Boat Captains and Navigators prior to the membership meeting on August 13 at 1900 in the church. The Captain's Packet will be handed out that contain a chart, the year's course and rules. The captains will select their own Navigator. The committee will assign an Observer to each boat at the event. All charting work must be completed prior to arrival on Saturday morning. You will make a speed run and return to the dock and finish your computations then run the course. After you run the course the rest of the day is free to boat ride, swim or just kick back prior to dinner.

Make checks payable to Greensboro Power Squadron and mail to D/C Mack Gordy, 1804 Regal Lane, Greensboro, NC 27410.
