On 18 June, the Greensboro Power Squadron set the mark for new horizons to be crossed. I made the trip to Bradenton FL for a big promotion and showing of a project that started last October. This promotion had nothing to do with boats even though I did cry as I passed the ICW markers with no boat in tow.

This showing was all about **The Totally Wicked Tornado Rocket**. The Tornado is a scale up design of the Tornado electronic cigarette that has helped me stay away from tobacco products since the day I got them, Oct 21, 2010. The Tornado Rocket stands 11 feet tall and is 8.5 inches diameter at the base then tapers to 5.5 inches at the nose.

With the feeling of success, I contacted Totally Wicked E-Liquid and asked permission to use the MR Wicked logo on a rocket project as a tribute to the help received in my effort to stop smoking. When Jason Cropper, CEO of Totally Wicked caught wind of this he replied "YES if you will allow me to sponsor the build".

Many months and one motor explosion later the TW Tornado flew into the skies of Bradenton Florida. This was a great day for me, Totally Wicked and the Greensboro Power Squadron. Why the GPS you may be asking yourselves. Easy, we now have our own Rocket Scientist. You can watch a video of the launch by going onto "youtube.com" and looking for the "Totally Wicked Rocket Launch, June 2011". LT Michael Gunter <http://www.youtube.com/watch?v=Z8NW-U8XAB4>

28-29 October
Mark your calendars!

We are doing the Historic Ghost Walk in New Bern again. If you haven't been, it's really a Hoot.

We will start Friday night with a welcome in cocktail party at the Comfort Suites, 218 E. Front Street. 252-636-0022. Lt. Larry Freeze has reserved a block of rooms, both on and off the water. The Ghost Walk tickets are good for two nights, so have your walking shoes ready. Saturday morning will have several options- details to follow.

Saturday night after Happy Hour, for those interested, we will have tickets for the traditional Centenary Methodist Church which features "Singing monks and pasta."

Important Notice to All Committee Chairman

Merit Mark recommendations are due within two weeks after each event. Send to P/D/C Mack Gordy, AP at mgordyjr@triad.rr.com. Call Mack if you have questions.
